Dimensions	Capacity
Height: 46.9" Width: 50.9" Depth: 28.5"	136 SmartTrays

TC-170 SMT

Dimensions	Capacity
Height: 47.1" Width: 60.2" Depth: 28.5"	170 SmartTrays

- All welded aluminum
- Bottom corner bumpers
- 6" TPR casters
- 4 sided top rail doubles as handles
- Stainless Steel dropdown latch, padlock-able
- Sized to perfectly fit SmartTray for best tray capacity
- 5 Year structural warranty
- Lifetime guarantee against corrosion

Advantages

- Will hold food temperature just as well as plastic insulated carts
- Corrections grade durability – will last many years
- Can repair/replace doors and casters rather than throw away the whole cart
- Can see over top of cart during transport
- Sanitary. Easy to clean to 'like new' appearance
