Fully-Integrated Correctional Meal Delivery Systems
What do we mean by “Fully-Integrated Correctional Meal Delivery Systems”?  

**Fully-Integrated**  All of the tray and cart options from one vendor ensures that the right number of trays fit in the right cart so that you deliver enough meals at one time. Everything is sized to work together.  

**Correctional**  Every product in this catalog was designed for the corrections environment. Hinder weapons making, hinder contraband hiding, durability for rough handling  

**Meal Delivery Systems**  Regardless of your process, we have a system that can support. Cafeteria feeding, In-cell feeding, Quick delivery, Max security lock-down, High population special housing units, etc. Free consultation available.  

**Check us out with no risk**  
- Free samples available for dinnerware  
- Free equipment demo at your facility for qualifying applications  

For a quote or to get more information, call (800) 848-8160 or email jzsales@joneszylon.com.

QuickLINK Feature
Click the QuickLINK icon to go directly to the JonesZylon website.
Correctional dinnerware is made to resist being made into a weapon. Copolymer material won’t break into shards or sharpen into edges. It is made to be durable in a punishing environment. For the last 50 years JonesZylon has innovated to offer the best in class correctional dinnerware.

### 3-7 COMPARTMENT MEAL TRAYS

This broad line of meal trays offers proven solutions to any corrections application whether you serve in a cafeteria, transport to remote serving areas, or deliver to segregation units. All trays resist staining and scratching, are reinforced to maximize durability and have a unique slope angle to make each compartment look more full of food and easier to clean.

NEW INSULATED TRAYS

The most durable insulated tray on the market!

- The enhanced design significantly increases wall thickness in the areas most vulnerable to fracturing, impeding water from getting inside the tray through cracks and holes. At the same time, the unique manufacturing process does not dump extra material in areas where it is not needed, keeping the trays light weight and the cost down.

- The corner plug is ‘welded’ in with a proprietary process that ensures a long lasting seal.

- The interior foam is modified with DESERT-DRY technology. This hydrophobic additive repels moisture, resisting your trays from becoming water-logged bacteria farms like other trays.

STANDARD FEATURES

- Compartments individually seal when stacked. Hot stays hot, and cold stays cold.
- Material blend for superior impact resistance and durability
- Interior bead around perimeter for added strength
- Economate® foam system completely fills interior area
- Temperature range; -40°F to 190°F; dishwasher safe
- Meets FDA requirements as a multi-use product for public food service

MAX-FLEX PRODUCTS

MAX-FLEX dinnerware is blended to maximize safety and durability

SAFE  The specially formulated resin provides the ultimate in safety for your officers and inmates. Guaranteed! You cannot create a dangerous weapon out of this material. Ultra-flexible, it can’t be sharpened. When melted, it does not harden when cooled.

- Perfect for high security and suicide watch populations.

DURABLE  Blended with other materials to increase durometer

- While maintaining the safety feature, the material properties are modified to resist cutting and wear.
- Perfect to replace Styrofoam clamshells. You can save a lot of money by switching to this reusable product. Contact your JonesZylon representative for a free cost model to calculate your savings.

DINNERWARE

TUMBLERS, CUPS & MUGS

The Wave tumbler features a pattern of textured and smooth surfaces that provide a sure grip while reducing scratches. A smooth rim and smooth interior surface assures sanitary cleaning. Stacking lugs prevent sticking when stacking, even when put away wet and the 3-sided V-cut drain bottom speeds drying.

The Stacking Mug features a bottom ring that nests into the mouth of the mug below to allow straight, stable stacking. Wide, ergonomic handles allow for large fingers to have a comfortable grip.

EATING UTENSILS

SAFETY FLATWARE

Designed with a narrow neck to provide just enough strength to support a scoop of food yet too weak and flexible to easily be used as a weapon. The beaded edge provides for an easier grip.

BIG GRIP™ FLATWARE

It's as close as you can come to the heavy, rigid feel of real silverware. These comfortable-to-grip utensils feature handles that are thick and textured with ergonomic shapes.

OPTIONS AND FEATURES for tumblers, cups, mugs, and eating utensils

All items are standard in copoly material. The 12oz tumbler is standard in either copoly or polycarbonate and the other items can be custom ordered in polycarbonate.

Copolymer (copoly)
- Shatterproof and resists sharpening
- Reusable and recyclable
- Dishwasher safe and microwave reheatable
- Withstands temperatures from -40°F to 212°F

Polycarbonate (polycarb)
- Break, stain and scratch resistant
- Reusable and recyclable
- Dishwasher safe and microwave reheatable
- Withstands temperatures from -40°F to 225°F
### THE INCREDIBLE SPOONDLE

It’s a spoon... It’s a ladle... No, it’s a spoondle™, a handy utensil for serving soups, potatoes, pastas, steamed vegetables and similar foods. This one comes with an interesting twist you won’t find anywhere else. Its small bowl diameter prevents overfill, allowing for better portion control while the unique nose design allows you to get into the corners of the serving pan.

The JonesZylon spoondle™ is molded from a specially-formulated nylon material in bright colors, making it easy to distinguish different sizes.

You can’t make weapons with JonesZylon spoondles™ as you can do with stainless steel products or replace them as frequently as you must with easier-to-break polycarbonates.

### FEATURES of the spoondles

- Available in 2, 4, 6, 8, or 10 oz
- Each size available in solid or perforated
- Stackable
- Spade-shaped head for much less waste in serving pan and superior portion control
- Serving sizes marked on handle
- Spoons are color-coded by serving size
- Comfort-grip handle and convenient hanging hole
- Rigid, durable handle design
- Break and stain resistance
- Increased scratch resistance
- Durable
- Withstands temperatures from -40°F to 310°F
- Dishwasher safe
- Microwave safe
- Reusable and recyclable

#### PLATES & BOWLS

This broad line of plates and bowls offers a variety of options for cafeteria style dining. Perfect for preplated menu items such as deserts and salads or used as stacked dinnerware at buffet tables.

### PRO TIP

Use perforated bottomed spoondles for thick foods like mac-n-cheese. The holes prevent suction from holding the food so it will fall right out.
MISSION-READY TECHNOLOGY

The latest innovation in meal delivery carts features a self-contained heating unit that is both removable and interchangeable among multiple carts, including the standard “hot box”, large capacity meal delivery carts and smaller capacity carts. All Mission-Ready carts have “snap-in” and interchangeable heaters to maximize your uptime! Washing and maintaining your cart has never been easier. All equipment is certified for UL, DOE, and NSF, and has 1 year parts and labor warranty.

### MISSION-READY DUAL TEMP CARTS

#### JZHA-198(HD)

**Features**
- A medium size dual temp cart to deliver 66 meals with a hot tray in heated section and a cold tray in ambient section. Trays with lids stack on floor and on mid-shelf. Can deliver as many as 100 meals with smaller trays.
- 6" multi-terrain casters
- SS mid-shelf (additional shelves optional)
- Can upgrade to Heavy Duty for high abuse environments
- Bottom baffle heat distribution
- Top rail to transport tumblers, etc.
- Recessed push handle
- Solar digital thermometer
- 1 yr parts and labor warranty
- 120v / 1700w / 14.2amp
- Heated/Ambient

**Dimensions**
- Height: 64.5" Width: 46" Depth: 31.75"

**Capacity**
- Tray Cavity # Trays
- JZCC-5200 3 132
- JZCC-4200 3 200

#### JZ-168

**Features**
- A large size dual temp cart to deliver 84-120 meals with one hot tray and one cold tray (cold side can be ambient or refrigerated). Can deliver as many as 150 meals with smaller segregation trays.
- Short enough to see over while pushing.
- Can be configured for meal tray delivery or bulk food pan delivery.
- 6" multi-terrain casters (4 swivel with brakes, 2 rigid)
- Removable racks fixed at 3" spacing (optional)
- Side-mount recessed push handles
- Tubular top rail
- 12 gauge heavy duty hinges and lockable transport latch
- Bolt reinforced full bottom bumper
- Solar powered digital thermometer
- 12 gauge heavy duty hinges and lockable transport latch
- Bolt reinforced full bottom bumper
- Solar powered digital thermometer

**Dimensions**
- Height: 47" Width: 61" Depth: 32.75"

**Capacity**
- Tray Cavity # Trays
- PPST-9300/9400 3/4 168
- JZCC-5200 3 280
- JZCC-4200 3 300
- 12x20 4" pan
- 18x26 sheet pan

#### JZ-120-RH

**Features**
- A large size dual temp cart to deliver 60-80 meals with one hot tray and one cold tray (cold side can be ambient or refrigerated). Can deliver as many as 126 meals with smaller segregation trays and stacked on floor with lids rather than using shelves.
- 6" multi-terrain casters (4 swivel with brakes, 2 rigid)
- 10 stainless steel shelves on removable racks
- Side-mount recessed push handles
- Tubular top rail
- Full perimeter non-marking vinyl bottom bumper
- 12-gauge heavy duty hinges and lockable transport latch
- Side mount snap-in removable heater, left side and top-mount refrigeration system right side
- 120v / 1800w / 15amp / NEMA plug 5-20P (refrigerated)
- Refrigeration certified to meet DOE regulations
- Heated/Ambient or Heated/Refrigerated

**Dimensions**
- Height: 62.75" Width: 52.75" Depth: 29"

**Capacity**
- Tray Cavity # Trays on shelves / floor
- PPST-9300/9400 3/4 120 / 168
- JZCC-5200 3 180 / 252
- JZCC-4200 3 180 / 252

#### JZ-144-RH

**Features**
- An Extra-large size dual temp cart to deliver 72-120 meals with one hot tray and one cold tray (cold side can be ambient or refrigerated). Can deliver as many as 180 meals with smaller segregation trays and stacked on floor with lids rather than using shelves. Alternatively, can use to transport bulk food in hotel pans or on sheet pans.
- 8" multi-terrain casters (4 swivel with brakes, 2 rigid)
- Removable racks fixed at 4.5" spacing (use sheet pans as shelves)
- Side-mount recessed push handles
- Tubular top rail
- 12 gauge heavy duty hinges and lockable transport latch
- Full perimeter non-marking vinyl bottom bumper
- Side mount snap-in removable heater, left side and top-mount refrigeration system right side
- 120v / 1800w / 15amp / NEMA plug 5-20P (refrigerated)
- Refrigeration certified to meet DOE regulations
- Heated/Ambient or Heated/Refrigerated

**Dimensions**
- Height: 63.5" Width: 62.25" Depth: 31.75"

**Capacity**
- Tray Cavity # Trays on shelves / floor
- PPST-9300/9400 3/4 144 / 264
- JZCC-5200 3 192 / 360
- JZCC-4200 3 192 / 378
- 12x20 4" pan
- 18x26 sheet pan

**Notes:**
- This cart can be upgraded with the Heavy Duty package. This package is designed to ‘harden’ the most vulnerable components for especially abusive environments – casters, bumpers, hinges, electronic components.

STANDARD HEATED CARTS

The result of years of design optimization in the corrections environment focused on food safety and security, durability and ease of use. All stainless steel construction, fully insulated, corrections package. This is not a banquet cart with special fasteners, these carts are specifically designed for corrections applications from the casters up. Detailed specs available upon request.

**Features**

- Small meal delivery cart maneuvers through tight spaces such as old doorways and elevators.
- 6" multi-terrain casters
- 30½" width fits most all doorways
- Easy to see over while pushing
- Top rail to transport tumblers, etc.
- Stainless steel mid-shelf
- Digital controller/thermometer
- 120v / 1700w / 14.2amp
- Top mounted convection air heat.
- Can get without the heat to be an insulated ambient cart: JZA-6UBT

**Dimensions**

- Height: 50"
- Width: 30.75"
- Depth: 35.13"

**Capacity**

- Tray: PPST-28
- Cavity: 5
- # Trays: 30

**Features**

- Heated cart to transport 30 mainline cafeteria trays (with or without lids) on slides.
- 6" HD poly casters
- Removable slide racks fixed at 3” spacing (can be customized)
- Bottom mount radiant heat
- 120v / 1300w / 10.8amp
- Digital controller/thermometer
- Can get without the heat to be an insulated ambient cart: JZPPST-28-30-A

**Dimensions**

- Height: 61.34"
- Width: 27.75"
- Depth: 29"

**Capacity**

- Tray: PPST-28
- Cavity: 5
- # Trays: 30

**Features**

- Heated cart to transport 60 mainline cafeteria trays (with or without lids) on slides.
- 5” multi-terrain casters
- Removable slide racks fixed at 3” spacing (can be customized)
- Bottom mount radiant heat
- 120v / 1685w / 14.1amp
- Digital controller/thermometer
- Can get without the heat to be an insulated ambient cart: JZA-1014-60

**Dimensions**

- Height: 61.34"
- Width: 27.75"
- Depth: 29"

**Capacity**

- Tray: PPST-28
- Cavity: 5
- # Trays: 60

**Features**

- A large size heated cart to deliver 120 large segregation trays on shelves. Can deliver as many as 252 smaller segregation trays stacked on floor with lids rather than using shelves.
- 6” multi-terrain casters (4 swivel with brakes, 2 rigid)
- 10 stainless steel shelves on removable racks
- Side-mount recessed push handles
- Tubular top rail
- Full perimeter non-marking vinyl bottom bumper
- 12-gauge heavy duty hinges and lockable transport latch
- Recessed digital temperature controller / thermometer with security cover
- Bottom mount radiant heat both sides
- 120v / 1920w / 16amp
- Heated/Heated

**Dimensions**

- Height: 62.75"
- Width: 52.75"
- Depth: 29"

**Capacity**

- Tray: PPST-9300/9400
- Cavity: 3/4
- # Trays on shelves / floor: 120 / 168
- JPCC-5200
- 3
- 180 / 252
- JZCC-4200
- 3
- 180 / 252

This cart can be upgraded with the Heavy Duty package.

This package is designed to ‘harden’ the most vulnerable components for especially abusive environments – casters, bumpers, hinges, electronic components.

**Features**

- An extra-large size heated cart to deliver 144 large segregation trays on sheet pans. Can deliver as many as 360 smaller segregation trays and stacked on floor with lids rather than using shelves. Alternatively, can use to transport bulk food in hotel pans or on sheet pans
- 8” multi-terrain casters (4 swivel with brakes, 2 rigid)
- Removable racks fixed at 4.5” spacing (Use sheet pans as shelves)
- Side-mount recessed push handles
- Tubular top rail
- Full perimeter non-marking vinyl bottom bumper
- 12 gauge heavy duty hinges and lockable transport latch
- Recessed digital temperature controller / thermometer with security cover
- Bottom mount radiant heat both sides
- 120v / 1920w / 16amp / NEMA plug 5-20P
- Heated/Heated

**Dimensions**

- Height: 63.5"
- Width: 62.25"
- Depth: 31.75"

**Capacity**

- Tray: PPST-9300/9400
- Cavity: 3/4
- # Trays on shelves / floor: 144 / 264
- JZCC-5200
- 3
- 192 / 360
- JZCC-4200
- 3
- 192 / 378
- 12x20 4” pan
- 18x26 sheet pan
- 40
- 20

This cart can be upgraded with the Heavy Duty package.

This package is designed to ‘harden’ the most vulnerable components for especially abusive environments – casters, bumpers, hinges, electronic components.
STANDARD DUAL TEMP CARTS

Dual Temperature Carts are used in applications where the meal is served in two different trays. Put the hot food in one tray and place it in the heated compartment of the cart. Put the cold food, flatware and condiments in another tray and put it in the other compartment of the cart which can be ambient or refrigerated. Push the cart to housing unit and hand inmate both trays.

A large size dual temp cart to deliver 60 meals with one hot tray and one cold tray (cold side can be ambient or refrigerated). Can deliver as many as 108 meals with smaller segregation trays and stacked on floor with lids rather than using shelves.

» 6” multi-terrain casters (4 swivel with brakes, 2 rigid)
» 10 stainless steel shelves on removable racks
» Side-mount recessed push handles
» Tubular top rail
» Full perimeter non-marking vinyl bottom bumper
» 12-gauge heavy duty hinges and lockable transport latch

BULK FOOD HOLDING CABINETS

Prepare large batches of food and then hold in steam pans or on sheet pans until meal time. Keep the food at safe temperatures with active heat and active refrigeration. Multiple sizes/capacity to choose from. Mission Ready technology with removable heat boxes available. You can also use this equipment to transport bulk food from kitchen to satellite serving areas.

### MISSION READY HEATED HOLDING CABINET (HOT BOX)

- **Features**:
  - 6" multi-terrain casters
  - Full perimeter bumper
  - 120v / 1700w / 14.2amp
  - Snap-in removable heater

- **Dimensions**:
  - Height: 67.5"
  - Width: 30.5"
  - Depth: 38"

- **Capacity**:
  - 4.5" Description
  - Quantity
  - 18 x 26 sheets pan
  - 4 x 12 x 20 steam pans
  - 12
  - 24

### MISSION READY SMALL HOLDING CABINET

- **Features**:
  - 6" multi-terrain casters
  - Full perimeter bumper
  - 120v / 1700w /14.2amp
  - Snap-in removable heater

- **Dimensions**:
  - Height: 47"
  - Width: 30.5"
  - Depth: 38"

- **Capacity**:
  - 4.5" Description
  - Quantity
  - 18 x 26 sheets pan
  - 4 x 12 x 20 steam pans
  - 7
  - 14

### MISSION READY SHORT 2-DOOR HOLDING CABINET

- **Features**:
  - 6" multi-terrain casters
  - Full perimeter bumper
  - 120v / 1700w / 14.2amp
  - Snap-in removable heater

- **Dimensions**:
  - Height: 47"
  - Width: 61"
  - Depth: 32.5"

- **Capacity**:
  - 4.5" Description
  - Quantity
  - 18 x 26 sheets pan
  - 4 x 12 x 20 steam pans
  - 14
  - 28

### HEATED HOLDING CABINET (HOT BOX)

- **Features**:
  - 6" multi-terrain casters
  - Full perimeter bumper
  - 120v / 1700w / 14.2amp

- **Dimensions**:
  - Height: 72"
  - Width: 28.8"
  - Depth: 35.75"

- **Capacity**:
  - 4.5" Description
  - Quantity
  - 18 x 26 sheets pan
  - 4 x 12 x 20 steam pans
  - 12
  - 24

### DOUBLE WIDE HEATED HOLDING CABINET

- **Features**:
  - 5" multi-terrain casters
  - Full perimeter bumper
  - 120v / 1650w / 13.8amp

- **Dimensions**:
  - Height: 46.9"
  - Width: 58.4"
  - Depth: 33.4"

- **Capacity**:
  - 4.5" Description
  - Quantity
  - 18 x 26 sheets pan
  - 4 x 12 x 20 steam pans
  - 14
  - 28

### SMALL REFRIGERATED CABINET/CART

- **Features**:
  - 6" HD Poly
  - Full perimeter bumper
  - 120v / 780w / 6.5amp

- **Dimensions**:
  - Height: 62.2"
  - Width: 34.5"
  - Depth: 36.5"

- **Capacity**:
  - 4.5" Description
  - Quantity
  - 18 x 26 sheets pan
  - 4 x 12 x 20 steam pans
  - 7
  - 14

### REFRIGERATED HOLDING CABINET

- **Features**:
  - 6" HD Poly
  - Full perimeter bumper
  - 120v / 780w / 6.5amp

- **Dimensions**:
  - Height: 74.5"
  - Width: 34.5"
  - Depth: 36.5"

- **Capacity**:
  - 4.5" Description
  - Quantity
  - 18 x 26 sheets pan
  - 4 x 12 x 20 steam pans
  - 10
  - 20

### HEATED/REFRIGERATED CART

- **Features**:
  - 8" multi-terrain casters
  - Full perimeter bumper
  - 120v / 1680w / 14amp

- **Dimensions**:
  - Height: 63.5"
  - Width: 75.75"
  - Depth: 62.3"

- **Capacity**:
  - 4.5" Description
  - Quantity
  - 18 x 26 sheets pan
  - 4 x 12 x 20 steam pans
  - 20

EQUIPMENT OPTIONS AND ACCESSORIES

No two correctional facilities are the same and neither are two food service operations the same. Each application requires specific solutions to specific problems. Below you will find many options to customize how your food service equipment works for you.

## GENERAL EQUIPMENT OPTIONS

<table>
<thead>
<tr>
<th>Option</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Uptime Maintenance Kit</td>
<td>All the critical spare parts for your JZ equipment in one convenient tool box. Don't wait for parts to fix needed equipment.</td>
</tr>
<tr>
<td>Heavy Duty Upgrade Package</td>
<td>For high abuse environments harden the most vulnerable components to increase equipment durability</td>
</tr>
<tr>
<td>Tow Package</td>
<td>Full chassis all welded steel frame. Pin style hitch locks in the up position without hardware. Rated for 8,000lbs</td>
</tr>
<tr>
<td>Brake Assembly</td>
<td>&quot;Deadman&quot; brake assist engages when releasing push lever</td>
</tr>
<tr>
<td>Premium Casters</td>
<td>Get the right caster for your application. concrete; cracks; outdoor; potholes; towing, etc. (see page 15)</td>
</tr>
</tbody>
</table>

## MISSION-READY SPECIFIC OPTIONS

<table>
<thead>
<tr>
<th>Option</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spare Heater</td>
<td>When heated equipment goes down, snap in a spare in seconds for Maximize Uptime!</td>
</tr>
<tr>
<td>Bumper Guards</td>
<td>Protect the heat box from impacts with horizontal objects with front edge mounted bumper guards</td>
</tr>
<tr>
<td>Insulated Panel</td>
<td>Substitute the heat box for an insulated panel to convert a heated cart to an ambient cart and vice versa</td>
</tr>
<tr>
<td>JZH-198HD</td>
<td>Upgrade your JZH-198 to a Heavy Duty version for high abuse environments</td>
</tr>
<tr>
<td>Heat Box Lock</td>
<td>Choose either heat box lock mechanism to be able to use your institution pad locks or key lock slam latch</td>
</tr>
<tr>
<td>Spare Heater Cabinet</td>
<td>Secure up to 8 spare heaters in a lockable stainless steel cabinet</td>
</tr>
<tr>
<td>Shelves / Slides</td>
<td>Add shelves and/or racks and slides to your cart to make it easy to load and unload meal trays</td>
</tr>
</tbody>
</table>
RACKS

DRYING RACKS

Full range of drying racks to accommodate mainline trays, insulated trays, segregation trays, tray lids, all sizes of steam table pans and lids, sheet pans, etc. Save space in your kitchen with high capacity drying racks. The unique plastic insert technology lowers initial costs, lowers replacement costs, is more sanitary. Extend the life of your trays by not running them over metal edges every day. Can mix-n-match plastic inserts to make a rack universal for multiple items. All heavy duty corrections construction.

FEATURES of the Drying Racks

- 5 Year structural warranty. Lifetime non-corrosion
- All-welded aluminum corrections grade construction
- Type 6063-t5 aluminum alloy with wall thickness of 0.070”
- 6” Poly casters (4 swivel w/ brake)
- More sanitary. Lift out inserts and run them through dishwasher
- Inserts are copolymer, dishwasher safe, shatterproof and resist sharpening
- Each rack can accommodate any of the 3 insert sizes. Mix-n-match for universal rack.
- Your JonesZylon rep will help you design the best rack configuration for your application

#### Features of the Open Transport Carts

- 5 Year structural warranty
- All-welded corrections grade construction
- 5" Poly casters (2 fixed, 2 swivel w/ brake)
- Push / pull handle
- Raised lip top shelf for beverages or other cargo
- Punched and notched shelves for hold-down straps
- Available hold-down straps and insulated cover

## Enclosed Tray Transport Carts

Transport insulated trays within cabinet and drinks/misc. on top from kitchen to in-cell feeding area. Heavy Duty latch keeps food secured from theft. Using enclosed carts improves food temperature retention and gives you more time to deliver.

#### Features of the Enclosed Transport Carts

**STANDARD DUTY**

- 5 Year structural warranty. Lifetime non-corrosion
- All-welded corrections grade construction
- Can easily see over during transport
- Sanitary. Easy to clean to ‘like new’ appearance
- 6" Poly casters (2 fixed, 2 swivel w/ brake)
- 3-Sided top rail that doubles as a push/pull handle
- Stainless steel dropdown latch, padlock-able

**HEAVY DUTY**

- 5 Year structural warranty. Lifetime non-corrosion
- All-welded aluminum corrections grade construction
- Bracket and weld reinforcements throughout cart
- 3 Heavy duty hinges per door
- Full perimeter bottom bumper
- Top corner bumpers
- Can easily see over during transport
- Sanitary. Easy to clean to ‘like new’ appearance
- 8" Poly casters (2 fixed, 4 swivel w/ brake)
- Center casters allow to turn on its own length
- 4-Sided top rail that doubles as a push/pull handle
- Stainless steel bolt latch, padlock-able

---

**Insulated Cart Covers**

Protect and insulate your trays with these heavy-duty cart covers.

**Features**

- 8oz PVC laminate with polyester scrim
- Tear/rot resistant
- Hospital green
- Anti-bacterial adhesive construction
- Opens on both wide sides
- Velcro closures
- Custom fitted to JonesZylon’s 49” or 69” open transport cart
- Made in USA
CASTER OPTIONS

HEAVY DUTY POLY
Heavy Duty polymer casters are for lighter carts and racks. They are hard for easy rolling over smooth surfaces.

MULTI-TERRAIN
Multi-terrain Casters have some cushioning to better go over small cracks and joints such as tile and thresholds.

PREMIUM MULTI-TERRAIN
Premium Multi-terrain Casters are easier to push as both starting force and continuing forces are lower. They have superior cushioning to handle more severed cracks and are especially quiet. Their kingpinless swivel design make them the best option for towing. They are more durable, needing to be replaced less often.

SPRING CASTERS
Spring casters have a mechanical shock absorbing spring built in to take the impact of the most severe terrain.

CORRECTIONS HYGIENE/ADMISSION KITS
Admission kits for inmates. Pre-kitted and packaged or available in case quantities to kit on location. Well priced kits are completely customizable from overnight to intermediate stay to long term. Choose from a large selection of hygiene items for the kit that is perfect for your application. These general purpose kits are usually packed in a zip-lock bag. We can also supply them in virtually any type of packaging.

OVERNIGHT KIT
Kit #: 566001  |  Case quantity: 100  |  Notes: Packaging - bag minigrip 5x7 2 mil

Recommended for:
- Drying and/or pan racks
- Utility carts
- Refrigerated holding cabinet
- Meal delivery carts
- Hot box
- Rougher terrain
- Towing
- Healthcare
- Spring Casters are for extremely rough terrain

HEAVY DUTY POLY
Heavy Duty polymer casters are for lighter carts and racks. They are hard for easy rolling over smooth surfaces.

MULTI-TERRAIN
Multi-terrain Casters have some cushioning to better go over small cracks and joints such as tile and thresholds.

PREMIUM MULTI-TERRAIN
Premium Multi-terrain Casters are easier to push as both starting force and continuing forces are lower. They have superior cushioning to handle more severed cracks and are especially quiet. Their kingpinless swivel design make them the best option for towing. They are more durable, needing to be replaced less often.

SPRING CASTERS
Spring casters have a mechanical shock absorbing spring built in to take the impact of the most severe terrain.

CORRECTIONS HYGIENE/ADMISSION KITS
Admission kits for inmates. Pre-kitted and packaged or available in case quantities to kit on location. Well priced kits are completely customizable from overnight to intermediate stay to long term. Choose from a large selection of hygiene items for the kit that is perfect for your application. These general purpose kits are usually packed in a zip-lock bag. We can also supply them in virtually any type of packaging.
