

# The Perfect Size

The JZHR-168 hot/cold cart is heated on one side and refrigerated on the other side. It carries 14 steam table pans of hot food and 14 pans of cold food to remote dining areas.

Small and light yet highly durable stainless steel.

*"If you have remote dining areas with tray make up lines, this is the perfect cart to bring and hold the food at the right temperatures. Small and nimble yet holds plenty of food"*
