Save Space and Improve Sanitation

High Capacity

In the same basic foot print of other racks, you can fit more items. The fins hold the trays upright utilizing all four shelves

Universal

Mix-n-match inserts and use the same rack to dry/store

- Sheet pans
- Flat trays
- Insulated trays
- Cafeteria trays
- Steam table pans

Easy to Maneuver

6" swivel casters on each end so you can turn on its own length

More Sanitary

Eliminate mineral deposits and bacterial footholds

Lift the inserts out and run them through your dishwasher and they're like new again

Gentle

Reduce wear and tear on your sheet pans, flat trays, and dinnerware

Slide your valuable items into smooth plastic slots rather than over metal surfaces of common racks
